HUGH S. JOHNSON,

WASHINGTON, D.C.,
July 31, 1934.

REPORT TO THE PRESIDENT

The PRESIDENT,
The White House.

SIR: The notice of opportunity to file objections to the proposed assessment amendment to the Code of Fair Competition for the Schiffli, Hand Machine Embroidery and Embroidery Thread and Scallop Cutting Industries, as submitted by the Code Authority, was published on May 29, 1934. During the period designated for the filing of objections, no objections were received.

The proposed amendment was submitted by the Code Authority in accordance with your Order of April 14, 1934.

The proposed amendment was revised pursuant to instructions issued by the Legal Division.

In final form this amendment has been approved by the Industrial Advisory Board, the Consumers' Advisory Board, the Research and Planning Division and the Legal Division of the National Recovery Administration. The failure of the Labor Advisory Board to take notice of the proposed amendment does not constitute an objection thereto.

The Deputy Administrator in his final report to me on the amendment to said Code, having found as herein set forth and on the basis of all the proceedings in this matter:

I find that:

(a) The amendment to said Code and the Code as amended are well designed to promote the policies and purposes of Title I of the National Industrial Recovery Act including the removal of obstructions to the free flow of interstate and foreign commerce which tend to diminish the amount thereof, and will provide for the general welfare by promoting the organization of industry for the purpose of cooperative action among trade groups, by inducing and maintaining united action of labor and management under adequate governmental sanction and supervision, by eliminating unfair competitive practices by promoting the fullest possible utilization of the present productive capacity of industries, by avoiding undue restriction of production (except as may be temporarily required), by increasing the consumption of industrial and agricultural products through increasing purchasing power, by reducing and relieving unemployment, by improving standards of labor, and by otherwise rehabilitating industry.

(b) The Code as amended complies in all respects with the pertinent provisions of said Title of said Act, including without limitation subsection (a) of Section 3, subsection (a) of Section 7 and subsection (b) of Section 10 thereof.

(c) The Code empowers the Code Authority to present the aforesaid amendment on behalf of the Industries as a whole.

(d) The amendment and the Code as amended are not designed to and will not permit monopolies or monopolistic practices.

(e) The amendment and the Code as amended are not designed to and will not eliminate or oppress small enterprises and will not operate to discriminate against them.

(f) Those engaged in other steps of the economic process have not been deprived of the right to be heard prior to approval of said amendment.

For these reasons, this amendment has been approved.

Respectfully,

HUGH S. JOHNSON,
Administrator.

JULY 31, 1934.

The following sections shall be added to Article V of the Code of Fair Competition for the Schiffli, Hand Machine Embroidery and Embroidery Thread and Scallop Cutting Industries, and shall be designated as Sections 12, 13, and 14 under said Article V.

“(c) After such budget and basis of contribution have been approved by the Administrator, to determine and obtain equitable contribution as above set forth by all members of the Industries, and to that end, if necessary, to institute legal proceedings therefor in its own name.
